“ Cade would Come over to my house to hang out with my son and he always spoke to me and asked me how I'd been doing and he was polite and kind. He was the type of young man that you wanted your teenage son to be friends with. He will be deeply missed by all who knew and loved him. Praying for peace for the family.

“ Cade and my son were good friends. Every time Cade came over he made sure to always speak to me, asking how I'd been. He was so polite and well mannered, always “yes ma'am and no ma'am.” I was very impressed by that because it's rare anymore. I knew he'd been raised right. He helped fix something for me at my house and at that time he was the only one of my son's friends who had ever offered to do anything like that. Cade was a special young man and will be deeply missed by all who knew and loved him. I'm so sorry to the family for your loss and will keep you all in my prayers.
