“ *Camilla and Lukas were my aunt and uncle. My dad is Ronald Foppes, Luke’s brother. We are sorry to hear of her passing. She was such a nice woman. My husband was able to visit her with my father prior to Lukas passing and he has wonderful memories of the visit to their house. We also enjoyed exchanging Christmas cards each year. Prayers to the family.*

Camilla and I are first cousin, her dad and my dad were brothers. We always visited one of my brothers was 1 year older than Camilla and I was 3 years younger, still I would spend a week with camilla in the summer!!! So much fun. We never had a chance to meet her children. We had a family reunion at my brothers house with a swimming pool.

“ Camilla married my Dad Lucas and became a GREAT stepmom. Even though we live very far from each other she was involved in my life as a stepmom and grandmother to my 2 daughters. She made them each quilts which we cherish. She was the Angel who cared for my dad during his last days and is now an Angel with him in heaven. She will live in our hearts forever and I will be eternally grateful for her being in my life.

“ *Mrs. Foppes was an extraordinary person who’s passion for teaching piano helped me in many ways. Some of my favorite memories were from her Piano Camps that she held during the summer. Also who could forget the hours of just sitting, talking and catching up even after I moved on from taking lessons from her! She was blessing to everyone that she met! As for he love of quilts, I have the quilt, pictured here, that she made for when I graduated from high school.*
