“ I was a grade ahead and I we'd grow up together Gaston strong! On to high school where she showed herself as a strong individual. She had strengths others couldn't have imagined. Onto adulthood, and how you she me laugh the morning after a horrible night before. The years gone by and FB friends. The Crissy I knew is going to make one heck of a “ Guardian Angel” and her energy will always be around. Words cannot express my sorrow to her kids and family. She was Awesome !!

“ *Baby girl , I am so sad .My heart is broken .iknew you your whole life . I remember your mama bringing your tiny little self to the school for parties . You were the boss way back then . You ruled the bail bond office with an iron fist . But you also knew how to have fun . You were courageous and a fighter . Most folks would have crumbled in your little world but you fought your way back . I love you . You were a true friend . So long for now but I will see you again . Kathy*

“ *RiP Sweet Girl*
I have so many memories from years past. Some I better not tell. Mostly I remember you being at my house, on holidays, birthdays and back yard barbeques. One memory i will never forget is when you and Jennifer thought it was fun to take Kim, backroad riding, then sneak her back into the house and leave me to deal with the aftermath!! Yall stsyed in trouble with me, but I cherish every memory.
