“ I'm so sorry to hear about Carl. My brother Greg just emailed me the notice about Carl's passing that he happened upon in the paper. We lived across the street from you on Mockingbird Lane. He talked about shooting the BB gun with Carl and of course, we both remembered the wonderful playhouse in the backyard. My sister, Patty, use to play with Lynn (I always tagged along). It is amazing that even though years have passed, we still remember those who have touched our young lives. My prayers and blessings are with your family.

I attended Church with the Hamptons and enjoyed many Sunday afternoon's breaking bread with them. My husband Bruce Langley and Carl were the best of friends and are now happy to see each other in the presence of our Lord Jesus Christ, with all those that went before them. Carl had become a great friend to mine and Bruces Son Michael. I will miss Carl much. My tears are selfish for myself as I know he is singing with the Angels. I LOVE YOU CARL AND UNTIL I SEE YOU AGAIN MY FRIEND, UNTIL THAT TIME.I am very proud to say that I know Carl is a child of Christ and the Heavens will be brighter now he is among them. I will miss his smile, his laughter, his phone calls and text messages just to tell me how much he loved me. Rest in Peace my friend, I will see you again.Lynn my prayers and with you and I will always be near, to Debra and your family my prayers are with you also.Molly Thomas Langley SuttonElmo Texas "

“ I am so sorry for our loss of Carl. He was a dear friend of mine as we grew up in Garland together. We went to school and played baseball together, and I spent a lot of time at the Hampton home on Mockingbird as the whole family was just so kind to me. Lynn and Debbie you helped to make my childhood a great experience. I am so proud of you both. Carl was a kind soul and I loved being around him. I pray for Carl and all of his family members as we send him home. God Bless you all in this trying time.
