“ *I truly hope that Carol knew how special she was to so many people. We knew her as an older classmate, places she worked, and the friendship we shared when we ran into her around our town. Steadfast, dependable, always interested in others, and an optimist. We were sad to hear this news as we were but aware she was sick. We send our love and will always hold her dear to our hearts. “ There are no words I can share that seem like enough. This family became my Southern family at a time when all seemed lost. My heart will always be half theirs. I am long distance hugging all y'all as hard as I can. My memories are flooding back with my tears, and it was just a couple weeks ago that I spoke with my Girlene when we said "talk to me later". I truly believed we would. I'm sending all my love and condolences.
