“ To All Carole Jo's Family.....I send my sincere condolences for your loss. I worked for Carole Jo's Dad and knew her Mom from church. I watched Carole Jo and Kenny grow up.....She lost the car keys in the Lake Forrest Pool and had to call Dad to bring another set. She owned the candy machine at the station and came by regularly to rob it.....Dad would have to float her a loan to pay the candy man. He would bring me the bit of coin to count along with her " I owe you" and would laugh and say I see Carole Jo has already been here. It was my pleasure to have known and loved all of them. Treasure all of your memories.

“ Girls, what can I say...We all have been so lucky to have had such great parents. Carole Jo never saw me without asking about my boys and telling me how often she thought about Big Ave. Never did I see her without a smile...Never. I know how hard this is now because she is gone but just think how happy she is today. Getting old...like we are...is hard in many ways, what keeps me going is all the funny stuff I've gone through and the memories that I've made living through it all. Carole Jo always had something funny to tell me about daddy and Joe Fred.....I loved that about her. She raised a wonderful family and loved every single moment of it and it shows in each one of you. I am so thankful that I can sayShe was my friend, I'm a better person for knowing you all. I am always here for you, I love yall, and remember.....words spoken by my sweet mother.....This too shall pass.

“ Carole Jo ran with us during the summers while we were in grade school. We spent a lot of time at Lake Forrest Park swimming pool. She was always a lot of fun and I have fond memories of those days. Her "dry" wit was so funny. We will miss her. Regards to her family in their time of sorrow.Billy MartinLongview

“ Just wanted to let all of you know I am praying for you - praying that all the good memories will carry you through this time of sorrow and those to come, praying for peace and comfort that only God can provide. Carole fought the good fight and is now whole and healthy in the arms of Her Father. I used to run into her ever so often at Wal-Mart. I'm going to miss seeing her sweet smile. Love, Christy
