“ My memories of Carolyn are all wrapped up in her family, and how much she loved them! We used to meet up after dropping out children at school, don our overalls, and go "junking!" She introduced me to this wonderful hobby, and my house is full of some of our best "finds!" But, what makes them so special are all the laughs we shared! No one was funnier, wittier, or smarter than Carolyn Compton! And no one worked harder than she did! I thank her for being my co-conspirator many times! Omg!! She just added a dimension of good old fashioned FUN to my life, and I will miss her laugh immensely! I love you, Carolyn!! ?????? ”

I truly don't know where I would be today with out My Aunt Carolyn. She is the only person I know that could cut okra in the heat of the day and still look classy. Know that the world will be a different place without you in it. You will be missed, Love Don Thomas, Belinda Denise, David Troy and Cynthia Dione . Forever in Hearts
