“ I am heartbroken-I have lost a dear friend. Carolyn & I have been friends since our days at Moore Jr. High School. She was quiet & shy & I was the noisy one. She would occasionally admonish me for my behavior & I was forced to admit my guilt. Her return to Tyler brought us full circle & we enjoyed our time together. She spent Thanksgiving 2012 with us & this Easter helping me in the kitchen & contributed to an atmosphere of fun & joy. Gilbert & I were looking forward to spending more time with her & now she is gone.

“ I am so saddened to hear of Carolyn's passing. we had become good e-mail friends since she moved back to Tyler and we had reconnected several years ago. I went through many years of school with her and always enjoyed her so much. My thoughts and prayers are with you all. She was so very proud of her children and grandchildren. She will be missed by many.
