“ Casey was a true and loyal friend. It’s rare that we are blessed with such an amazing individual in our lives, and he was a true, loyal and loving friend from the time he’d met you until the time he went home to be with the Lord. His heart and conscious never changed. You could depended on Casey. Always.

Casey was one of my best friends, and I am all the better for it. He helped shape my life, and in a positive direction, and God knows I miss him already and will continue to until we meet again “up yonder.”

I have been, and will continue to pray for you all, Anna, Ms Tina, Billy, Mr George, and all family... for an indefinite time... God bless and keep you all, I’m so sorry for your loss.

“ Casey I wish you realized the impact that you had on so many lives. I have had countless conversations about how much of a Godly man you were. You helped so many people in their darkest hours. You checked on me when my father past and sent me scripture. You always had a friendly smile and kind word to say. My life was enriched with your friendship and your legacy will carry on. We all love 💕 you and may your soul finally find peace.
