“ To Casey's family -My goodness, but Casey had an impact on my life. I knew her before she was in my class because of her great smile and infectious spirit. Then, in class, I looked forward to seeing her every day because when she walked in my classroom brightened. Casey was easy to love because she loved back and spread her joy of living to those around her. Later when her accident so drastically changed her life she served as an inspiration to so many by being willing to accept God's plan for her life rather than her own. I'll never forget the chapel she spoke at when she told the students "Don't take your life for granted, but don't be afraid of God's plan for you. Whatever His plan is, it's the right one." Powerful words for one so young. I wish I had been able to meet Josh or Levi but I know Casey will always be in their lives and hearts. All my love goes out especially to Linda and Will who I got to know reasonably well through the years. Please know I am praying for you and I will always remember Casey.

“ Casey was my counselor and she was an inspiration to me in the last month or two. Her strength and incredible courage was an inspiration to me, despite what life had thrown at her. I am so glad that I got to know her and I will carry her thoughts, encouragement, and advice that she gave me and cherish it as a gift; and I will carry it with me throughout my life. God rest her soul.

“ Ms. Casey taught me a lot in PSAT classes and she is the very first person I met here at Goodwill. One of the lessons I caught on that she taught me was to live my life to the fullest and so if you have an opportunity to take it, and don't let anyone get you down. I am very sorry for your loss and I will miss her.

“ On behalf of Goodwill Industries of East Texas, Inc., and the Career and Counseling Services Division at Goodwill, we would like to express our deepest sadness in the passing of Casey. She was a colleague, a friend, and an inspiration. She touched so many lives during her employment at Goodwill. Her impact on those she served has made the world a brighter place. Although she is in Heaven, her memory and the difference she made in others will live in the lives she has touched. Our thoughts are with all of you.

“ Josh, Linda, William and Will, you have been in our thoughts and prayers since meeting you at ETMC last Sunday evening. Our hearts go out to you and Levi in your huge loss of such a precious daughter, wife, mother, sister, and care-giver to so many. As I listened to "I Can Only Imagine" this morning, I visualized Casey dancing, standing or kneeling in the very presence of our Lord and Savior in Heaven! May God bless you in your grief knowing that she is well and in His arms forever! Our love to you all.
