“ *Cathy and her husband were unbelievable supporters of our students and did so much to positively impact their time here at Texas A&M. It is with great sadness and a heavy heart that we learned of Cathy's passing. She is a true testament to the Aggie spirit and will be greatly missed. Our only comfort is knowing her legacy, as well as her husband's, will be passed on to generations and generations of future Aggies.*

“ *I am so sad to hear about Cathy. She will be remembered as living her life to the fullest. I am glad I had the opportunity to share the wonderful memories and lots of laughter on the China trip with the Aggie's. She was brave enough to drink the snake wine. Many will miss her beautiful smile and zest for life. Great way to be remembered.*
