“ Kerrie, Mark, Chance, Lance and JaxMeMe, PaPa, Debbie, Kathy, Maw, Cyndal, Ree, Stoney and AngieWords can not express the love our family has for all of you. You hurt, we hurt along with you. I can tell you to breath but I can not show you how. Listen to those who have lost a child before you. They are the ones who will help you the most. We can only hold you up when you are down, pray for you and love you with all our heart. Skelly said that the Lord not only wants the sick and the old but he needs the birds and the butterflies. He is building his kingdom and he picked the prettiest flower in the garden. I pray that your hearts will heal in the most perfect way. We all love Chais and miss him deeply. Thank you for shareing him with our family for the past 19 years. I wish we could go back to Big Oak when they sold Lemon Aid door to door and then went swimming the rest of the day. Night lazor tag and baseball, baseball, baseball. What I would give to start over. We will love your family through this and never forget the special moments with Chais. Love you!!!!

“ *Losing a high school classmate and childhood friend should only happen long after memories of being young can only be recalled by looking through yearbooks and thinking back to the memories deep in one's mind. Chais's death was a shock to SO many of his loved ones and friends. I can remember all the times we had growing up in big oak...we had soo much fun! I remember riding dirt bikes and the cops would always come and tell us to stop and try to lecture us, but and Chais's smile could always get us out of trouble. Chais was always such a nice person. At the 8th grade valentines dance, I was sure I had the best date ever. Chais was so polite. Chais's humor and smile was contagious and he could make anyone happy...such a caring person!! Chais will stay in my memories and his smile will come to mind every time I think of him. Thank you Mark and Kerri for raising such a wonderful person. Call if you need anything*

“ Mark and Kerrie, I want to take a moment to give thanks to you two for having such a good son,and allowing me to be a part of his life in coaching him. I had the greatest time of my coaching experiences when the boys played on the select team we put together after the all-stars. I will never be able to say the right words to stop the pain, but I want you both to know that you did a terrific job raising Chais. He had such a great spirit about him. I dont ever recall a time in the recent or past that I didnt see Chais smile when I would see him. I hope over the coming weeks and months you are able to rememeber the smile like I remembered him. May the peace of Jesus Christ rain down mercy upon the Jennings family in your most needed times. Thank you for Chais, and for the memories.

I have enjoyed knowing all of you and being friends with all of you. I really enjoyed having Chais, Chance, and Lance in school, they are all great kids. I've never had Jaxson but I'm sure he is great too. Mark, you and Stonie sold me my first truck. Kerrie you always treated well at Central. I'll always remember kidding around and picking on Chais. Chais would always joke and pick back. I'll never forget his great smile and attitude. Once again I'm so sorry for your loss. “ *Mark..... our prayers and thoughts are with you at this time.... we pray God's comfort on you and your family...if there is anything we can do, please feel free to call us. We thank God always for our heroes and at times like this, we forget that you are NOT invincible and that you need shoulders to lean on also. May we be here to lift you up in prayers at this time.
