“ *My favorite memories are of us staying together at Granny's to help take care of her. Me and you piling up on the couch together we didn't care how uncomfortable we were, we were so happy to be able to spend time together. There aren't enough words that can even begin to describe how much I love you or the sadness I feel knowing that I'll never get to hear your voice again. Give Uncle Jerry and Heaven hell. I'll miss you for eternity.*
