“ He was a good man and a good heart. He was in heaven. He was a great guy of my life. He was good. And he has a dog named Rex. He was a good dog, but a springer spaniel. He was such a great guy. He was a great heart and a good man.

“ WOW this hurts my heart, I worked with Dr. Allen at Desert Hospital in Palm Springs, a gazillion years ago and always wondered where life took him. Sadly enough I relocated to Colorado in 1995 and I wish I had located him sooner ... RIP Dr. Allen you were a good man. My condolences (ableit years later) to the family.

“ So sad to read about Dr. Allen 3 years later. He was my mentor in the early 80's when I pursued Emergency Nursing. There were times I wanted to quit but he encouraged me to continue and told me I had what it takes. I was voted MICN of the year along with Dr. Allen as Doctor of the year in 1983. We worked for years in Joshua Tree, CA. I still work as an ED nurse 30 years later. He was the best ED Physician I ever worked with.

“ I was stunned and saddened to learn of Chris's passing. What a special person he was, ever the gentleman, even as a young man - a tribute to you. I have so many wonderful memories of Chris --- his wanting to be a doctor from a very early age, speaking affectionately of and protecting his sisters, being a friend and confidant to many. Grateful we got to spend some time with Chris a few years ago when he returned for our reunion. We all so much enjoyed our time together. A dear friend, a very special man -- he will forever be in our hearts. Please accept my most sincere sympathy. Each of you are in my thoughts and in my prayers.
