“ One week ago I was thinking about Clifford and was going to call him and talk a spell. I waited to long and feel awfull. Can't tell you how much I loved working for Clifford and the times we shared. He was the most sweetiest and caring man I had known. I came one day and his car wasn't in the drive way but, he was home. Where is your car Clifford? Oh! i backed into the pole and we laughed and laughed. I will never forget him and what a wonderful man he was in my life. He talked so fondly of his children and Grandchildren. He was certainly a man of God and he will be rewarded in heaven. God bless you Clifford

“ I am confident that Uncle Clifford is reunited with Marie , Ina Rose and others that he loved. He was a good man. I was Boboo from my childhood until the last time I visited with him by telephone. How blessed Ken and Janet were to have had a loving father----and for 95 years. God has and will continue to bless each of you. Much love, Barbara

“ My heart just fell when I saw in the paper that Mr. Wayland had passed away. He was always my favorite neighbor and was the first one to welcome me to the neighborhood many years ago. Mr. Wayland and I had MANY "over the back fence" conversations and he was such a kind, gentle man with such wonderful printing stories! I will treasure the type case he gave me years ago as both of us shared a love of the printing industry. I will always miss Mr. Wayland as he was a real treasure to me. Please know my thoughts and prayers are with you all at this time.
