“ Haven't seen Clint in along time but I have some great memories of him. Especially taking him and Billy Joe camping on Galveston Beach. What fun we all had. So sorry to hear this. Thinking of his family as I know this is the worst thing they have ever had to do. Craig - I so remember you coming to see me after I went through this, I have been thinking about you a lot this past week and my heart breaks for all of you. Hold strong to your faith.
