Although years have passed, I've never forgotten Connie and the kindness that was shown to me by the McCullar family. I have so many good memories of working at the Dairy Queen with Connie and church activities with them. I think the most endearing quality of Connie was her kind heart and laughter. I'll always remember the times spent with Connie and her parents.

Connie was, no doubt, a wonderful person. I will cherish memories of doing homework together and trying on makeup. She influenced me in good ways, and truly was the epitome of life, love, and laughter. God bless.

“ *My daughter, Patti was best friends with Connie growing up and Connie was in and out of our house and we learned to love her very much. Her mother and Daddy were some of my closest friends. After her mother, Lois died we sort of lost touch with all the family. The whole family was a blessing to know and we will miss her also. My love and sympathy to all of you.*
