“ Through ones life a person meets thousands of people with only a few that hold a piece of your heart that makes you feel good when their name is mentioned. Connie Mac was one of those. I worked with Connie at Marathon in Price. He along with Ralph Crim did their best to pick up where my parents left off to guide me thru early adulthood & parenting. I have many wonderful memories of Connie & I will miss him. To Scotty, Leigh Ann & the family, I am so sorry for your loss. You all are in my prayers.
