“ *What a wonderful woman! She had the best laugh in the world! My memories of Corine are of her always laughing...with Karleigh walking around Canton, with Gracie always asking "Why", with W. Running around...she was a wonderful, beautiful lady that was taken to soon. She will always, Always, ALWAYS be a part of you Lulu, Gracie, and Karleigh...so much of her is already in you. Her kindness, her love for others, and her wonderful laugh! You all have a great laugh just like her....remember how the smallest of things, like a good, long, loud laugh can bring you closer to her than you ever thought. She is with you always, no matter what...I love you all so very much! Thank you for sharing your mother with me and our family, Lulu...She will be so very missed. Love Mandy*

“ I met Koko (and Bill) when I was about 25 years old. Hard to believe that was just about 30 years ago. Koko helped me through the devastating loss of my first son, Max, and then became a bonus grandmother to my subsequent children, JB and Annie, and a best friend to me. We love her more than words can say and hope she's loving on Max right now. She will always be "the baby wisperer"!
