“ Oh Julia my heart breaks to know Mr. CA is gone. I loved that man. He was always telling me he could not hear! And he couldn't! Ha! I know you will miss him the most. If I had known I would have been to the visitation! With our paper the way it is you never know any more when someone you think a lot of has passed. Sometimes when the blues start to get to you, just pick the phone up and call me sometimes. I would love to talk to you any time. I will be praying for you and Patricia and her family as well. May God comfort you in the days and weeks to come.
