“ Dee and family I did not know your family, but I can so relate to losing your Dad and husband, I lost my husband 4 months ago. I'm still trying to adjust to Mac not being here. I looked at your Dads birthday and he has my birthday even the same year, He and I were born on the same day, and the same year, Nov, 29, 1949! I have never found anyone the same age as me. I would have loved to talk with him. God Bless y'all, and I'll be praying for Gods comfort in the coming days.

“ Uncle Lynn will be missed. Many many memories of him at the lake, reunions, summer visits for a week at a time. I will never forget getting sun burned in the pool at their house and both Lynn and Kitten was rubbing my shoulders with aloe vera leaf. I kept flinching and Kitten would say "Lynn don't rub so hard.....lol ended up with milk and asprin paste on my shoulders, boy did it hurt going on but much beter the next day. The love I have for these two. He will be greatly missed by many.

“ *Its so hard for me to believe its true and you are gone from this earth forever! I have many memories of Uncle Lynn even in my childhood. I watched him shave at the corner sink on the out side of grandmama & granddaddys house as a teenager & young man & watched him leave to go to Mt Entetprise or a date, or a football game in Mt Entetprise! Also, him leading Dixie around for me to ride her. Also, Virginia & I arguing on " WHO" was gonna sleep by him when his bed was in the same room as Granddaddy's & Grandmama's bed was. Also, the great memories of the past Family Reunions that Lynn & Kitten were responsible for..& ALL their HARD work didnt go un-noticed by me... ????? him! I am so devastated!*
