“ People will always speak fondly of you Peck. You were always kind & gentle to people & treated others with respect. Sometimes a little more laid back than the rest of us, but you are your Dads son. What a great life you had with your love, Bev. and your loving children. I can only imagine what it was like when you got to heaven. What a moment I'm sure.
We will all be there for your wife & kids. Friends even after the end.
RIP my friend Peck.

“ *Throughout this short time we have here on this earth we all find hill's and vallye's that we all must face and walk through. The different seasons in our lives make and form us into who we are and become. I thank God each and every day for letting me see another sunrise. Dale you are in God's his hands now.*

“ Dale and his family were neighbors of ours when our kids were growing up. Car pool to and from schools. We had a wonderful friendship and will always be thankful for that. Dale never said no, if I asked for help!! He was a good husband, father, and friend. I'm sure he was so excited to walk through the gates of heaven. He will suffer no more. Praise GOD for that. Praying for all of the FAMILY. His oldest son, Travis did all he could do to save him, God just had his plan and wanted him to come home to heaven a little sooner. You will be missed, but never forgotten. We will see you in a wink!
