“ Our thoughts and prayers are with the family of Dalton Jones. He was always a true gentleman with a warm greeting for everyone. What a roll model he was for my husband, Ken Hensley, in his youth. God Bless You, Dalton, as you are reunited with your beautiful wife, Betty.

“ *Mr. Daltons Family. I am keeping his many friends and family in my prayers as you grieve your loved one. I got to know Mr. Dalton Jones when I worked at New Sound Hearing. I knew him as a Christian Brother and a gentleman, a great personality. A good business man that was well thought of and respected. But most of all, how much he loved and took care of Betty. She was his true love. I think he did everything but breath for her and I am not sure he did not do that for her. He dressed her, he fed her, he took her everywhere with him in these last years as her health declined. He made the vows to do all these things and he honored every one of them. The youth of Henderson have been some exceptional Sunday School Students and so many he and Betty mentored and went to activities within the area, of kids they sponsored or knew. Rusk County and The City of Henderson will truly miss their love and generosity. Mr. Dalton, I know you are happy being untied with NS. Betty once again.*

“ Prayers for the family and for the multitude of people whose lives that he impacted. The encouragement, love, support and sweet Godly witness that he was able to share with everyone that he came into contact with was amazing... what a legacy to leave! I know he is rejoicing in heaven with Mrs Betty! The love that I have for both of them will last forever. I remember and will be forever grateful for all of the love and prayers that they offered me and my children at some of the most vulnerable times in our lives. “ *So many memories of Dalton and Betty. They were always present at church and friendly social events, and when anyone was sick or in the hospital Dalton and Betty were always there with visits and prayer. Dalton was a great singer, and you could tell he was feeling what he was singing. My Dad once admired some landscape work I had done with "You're a good dirt man!" and I knew that was a high compliment in reference to his good friend Dalton Jones.*

“ Dalton and Betty Jones were like parents to Greg and me. When I was young, they had a house with thick blue carpet. I can't count the times i stood on my head on that carpet. They would laugh so hard. It's been Dalton's favorite story to tell through the years. Dalton and Betty were there for us every time my dad was in the hospital. They would spend the night in the ER. Betty slept on the floor with my mom. Dalton always calls to check on me, especially after mom passed and after my surgeries. He was one of the best men I've ever known. I love you Dalton.

“ Dalton Jones is my mother’s first cousin, we never met until about three months ago at church, and I didn’t recognizing so I asked someone to point him out for me, he did and brought them over to me at the front of the church after services and we had a record your conversation. A couple of weeks ago I sat next to him at church.

*I barely knew him from our conversations and encounters, but I learned so much about him from the impact that he had on people that I know and care about. And his life speaks volumes that your words can not adequately describe.*

*Anderson’ and the first Baptist Church has lost a monarch of a man, and he will be missed. I did not know him very long, but he and his legacy will be long remembered.*
