“ *I just stumbled upon Dan's obituary sorry to say a year and a half too late. Dan and I were friends through Navy boot camp and throughout our 4 years serving our country together on the USS Simon Lake. I am grieved at his passing and so sorry that we were separated by the passage of time. May God bless your family.*

“ I had the pleasure of working with and around Danny from 1984 thru the mid 90's. Danny was always one of my favorite co-workers and I have a lot of great memories from those times. We stayed in touch in later years and often rehashed old coal mine stories. Danny was a good man and I am very proud to have called him my friend. RIP Danny.
