“ Danny and Shena, We feel this moment and pray that you can find your way thru this to the glorious peace of God Almighty. When words are not enough you can believe that God is able to lead you down a path that no man can. Here is a truth that helped us get thru, the Lord God made and created chance and he rules over it and calls up those he desires when he chooses. He gives us a very wonderful thing for a time and we gladly accept it , we are blessed if we trust also when he calls it home. We love you guys very much and are here for you if you need anything.
