“ I first met Danny and Rhonda Brasher at Longview Consolidated Credit Union where I had the pleasure to work with there daughter Heather Leatherman. I can honestly say these two were some of the sweetest and funniest people I've ever met. I don't think we ever shared a moment where we didn't laugh at something. This still doesn't seem real to me. Danny was a great person with a big heart who will be greatly missed by many. I completely understand why he couldn't stay here because this life or this place is a temporary home, and even though he was loved by his family and friends dearly, rest assured he is with his creator, the one who loved him first and the one who loves him best. So I don't say goodbye to Danny, I simply say see you later...

“ I knew Danny for 10 years and there wasnt a single time i saw him without that that big old danny smile of his. He treated everyone like they were an old friend he had known his whole life. Thats a trait so rare these days. He was truly a one of a kind man who left a void that cant be filled. A true diamond in the rough. Not a day will go by that he wont be loved and missed

“ I remember the first time I met Danny. It was in Branson. He was with Rhonda, Heather and Zack. He treated me like I was an old friend. He always treated me that way when we got together for family gatherings. He talked me and my wife into going to see the Duttons in Branson which we never regretted. He was a special person. He will be sorely missed by everyone that knew him.

“ I can honestly say that I have never seen him without a smile on his face, he welcomed our son into his family with open arms, and it being his only daughter that says a lot! The pride on his face when we welcomed our granddaughter Hanna was priceless and his love for her immediate..., you will be missed greatly Danny, but I believe it was your time to be with the angels and watch over all those you have left behind, Rest in Peace my friend! “ *I remember so well the day this picture of Danny was taken. We arrived early at the wedding chapel with Zach's nephew Chandler. Danny met us at our car. He was beaming. He said he was so happy to be gaining a son in Zach as a son in law. He joked a lot with my husband Scott as he helped him tie his tie. He said he wasn't the kind of man to wear a tie, but for his little girl he would do anything even wear a tie.*
