“ *Mr Dan, you were a one of a kind. I have fond memories of you trading me cigars for help with a broken computer and the long talks on your porch at those apartments on Augusta.*

We moved away and had kids, but when we would come visit, I always felt celebrated by you.

I have no doubt that you are among the angels watching over me and my family. Vaya con Dios, Mr Dan.

“ *My Uncle Danny,*

I am sorry that I will not be able to join the family as we gather to celebrate your many contributions you gave to all of us during your wonderful lifetime. This is the single weekend I will be able to be with my wife and boys all in one place for the next 45 or 60 days depending on life. Your Favorite Nieces-in Law U.S. Army National Guard Captain Crystal Huff is on Active Duty at the moment working at the Army National Guard in Washington DC. We are meeting in Tennessee this weekend to spend time together.

You and I have shared some long phone conversations about Army Life and Family. Not long ago we spoke on the phone for about 90 minutes. I am not sure who was counseling who. You making sure I was taking care of my family or me asking you about taking care of yourself. The memories and happiness of that conversation I will keep in my heart.

Uncle Danny you always gave me strong and sage advice about life. I watched you boldly and honestly walk through it and I always admired your ability to take care of yourself, honor your family and how you always landed on your feet. No matter what tried to drag you down. I hope to take that sprit and put in me and my boys.

Mostly I will just miss you.

“ Dan Hudson was a genuine and joyous man who had a relationship with Jesus. If Dan said he would pray for you, he would do just that. Dan had a great sense of humor and could get a smile on your face.

I had the honor of attending the same Sunday school class with Dan and co-teaching a Prayer Life class with him while attending Second Baptist Church. Dan was faithful to pray and faithful to serve in addition to his deacon duties. You could count on Dan. Words cannot express how multi-gifted Dan was. You knew you had a friend in Dan.

My prayer is that the Lord Jesus will grant the Hudson family peace that passes all understanding and comfort all who will miss Dan. God is an ever present help in time of need. He never fails nor forsakes us.

“ Dan was my friend and neighbor at The Grovewood Condominiums in Houston in the 90's. Edna was then shortly my upstairs neighbor. Dan and I both attended 2nd Baptist Church. Shortly after we met he invited me on a church mission to drive to Galveston to pray with a family who had a loved one in the hospital at UTMB. It was an extraordinary event in my young Christian walk. Dan exemplified to me what it was to be the hands and feet of Jesus. I remember that he wrote a pamphlet called, if I am remembering correctly, "The Tie That Binds." It was his heartfelt and Holy Spirit-led understanding of the connection of Jesus between the Old and New Testaments. He had authored this for his Sunday School class and was so excited and humble-proud that God had revealed that understanding to him. He was a great conversationalist, griller, martini maker and friend. He always professed profound love for The Lord, his daughters and grandchildren. I will always remember my friendship with Dan and what an inspirational light for the Lord he was. Over the past couple of days I have prayed that Jesus would usher Dan into Heaven with the utmost glory, peace, Holy excitement and fanfare due a good and faithful servant. My prayers are with you-Joni, Cami, Edna and precious sons-in-law and grandchildren. Our deep loss, but only until Heaven. Much love to you all and my deepest sympathy.

“ Thanks to my uncle Danny I know how to properly cook a sunny side up egg. He also took us on an adventure one summer to locate Paw-Paws train in Houston. Every memory I have with him brings me nothing but smiles and happiness. What a great man to have known and loved. I can't wait to see him again one day. I know he will welcome me with that smile. Love you, Uncle Danny. -Melissa Raley of Huaghton, LA.
