“ I love you Dad, I'm grateful for all the time I had with you, we went through it all good times, bad times, and we were always together through it all. The memories we made will forever live on in my heart and soul forever. I regret nothing and I would do it all over again to keep you safe in a heartbeat. Love you Dad, I hope you have reunited with Your Mom, dad and sister. I can't wait to hear what all you have to say about meeting our Grimm brother ancestors!! I will see you again Dad. Love you now it's time for you to enjoy peace for the first time in 18 years, No pain, No medicine, No Doctors appointments, No needles, Only joy and serenity. And don't worry I will take care of Samson!!! Love you! And miss you terribly the house isn't the same without your very loud TV!
