“ It’s rare to meet a person like Danny. I have worked with him for 7 years. He always made me laugh. He was the most thorough and meticulous guy, I might also say particular 🤔. He had to have certain pens or products and we joked about it all of the time. He was a hard worker and wanted to work even when he shouldn’t. He loved his family and he took pride in them and everything he did. I will miss him terribly. Fly high Danny, I will see you on the other side. 🙏🙏
