“ Aunt Darlene had such an amazing way of making me feel like time had not passed between visits. I did not live close enough to spend a ton of time with her, but what time we spent was very special. I will never forget our trips to the antique stores or our cemetery tours. We joked about how much "fun" we had looking at all of the graves. The one that had A.T.M. written on it and the bar-b-q pit were our favorites. I will miss how she always made me smile. Now we all have a new angel to watch over us. I love you always Aunt Darlene.
