“ *I am so sorry about David's passing ... I got to know him when I worked at Henderson Memorial Hospital he was such a sweet guy...Then years later I seen him at Autumn Leaves nursing home he was on the same hall as my Aunt so when I visited her I would also visit with him....I found out from David that he liked payday candy bars so I would bring him some of the longer ones because he seemed to be able to hold on to them better....my Aunt who was mentally challenged passed away 2 years ago so I lost touch with David...The last time I went to see him he had gone back home to his mothers the staff at the nursing home had told me... I will always cherish my visits with him and he has a special place in my heart.... Your family are in my thoughts and prayers at this time...*
