“ *We send our condolences to David and Peggy's family. Gary has known David for 30 years, as a guitarist and a friend. We did lots of picking and grinning over the years -- truly enjoyed our times together. Peggy was a joy, and they were so clearly together as one in the Lord. We will miss you both until we meet again!*

“ This breaks our hearts. David was a good and quiet man, he played in the Common Ground band with my son A.J. Gillespie and his dad who we lost almost 10 years ago. He came over and let my 16 year old son play his guitar until next Sunday. That was a wonderful act of kindness when we had just lost A.J.s dad. God be with the family, and my prayer's are with you.

“ David was probably the most talented of all us Worley grandchildren. He was a fine guitarist, a phenomenal wood carver, and his chocolate caramel pie was one of the best reasons ever for eating desert first. (If you didn't, you probably did without since it always disappeared quickly!). He was quiet and humble with a great sense of humor and the patience of Job.. We will miss him and Peggy so much. Jacy and Laura, we are praying for you and all the family. Just hold on to so many, many good memories!
