“ *On behalf of Director Stephanie Heffner, Public Safety Div. of the E TX Council of Govts, we offer our most sincere condolences to ALL Constable Guy's Nearest & Dearest.*

I have a double reason to sympathize: He worked with my late, GREAT Uncle Royce Moore at RCEC, and he served & protected the area in southern Rusk County where my Brooks family lived, in the McKnight & New Salem communities.

We're Grateful for his many years of service and quote our Lord: "Well done, Good & Faithful Servant"...

“ *I worked for David for the last 10 years. The office will never be the same. He was so good to us. Kept us laughing and tried to teach us a thing or 2. I remember when he'd serve papers he said he'd "deputize" me and take me with him. I'd be all for it and say "let's go!". He'd laugh and shake his head and say "no because if something happened to you, I wouldn't be able to live with myself." I love you, David. Until I see you again...*

“ David was a wonderful person that did not mind playing a practical joke from time to time. We rode together for about a month in the last 90's when he was Constable and was recovering from an injury. I learned a lot about him and his love for his community. The picture reflects my constable brothers coming by to check on me, when I was at New London about 15 years ago. He is already missed!

“ David and I worked together at RCEC. He called me Aunt Winnie and some people thought we were related, just friends and coworkers. When I bought my house, David did some electrical work for me on his off work time. He was a hardworking man. Sincere sympathy to family and friends.

“ I was saddened to hear that David has passed away. I think God never made a better man than David. I graduated a year ahead of David at Laneville. We played basketball many hours in that old gymnasium and I remember his number was 23. I had not seen him for quite awhile but am saddened that he is gone. Dan Kelton
