“ *My Sweet DeAnna it has almost been a year since you went to be with Charlie. So many happy and unhappy things have occurred in this past year in my life! I often wonder how I have managed to survive all this and the only explanation I have is that God and you are my inspiration! I Miss you so much De, not a day goes by that I dont miss your beautiful smile,your laugh,your little ways of aggravating me just to get a rise out of me! I Love you Endlessly. Forever your baby boom Keely.*

“ I have lots of memories...I remember when y'all lived in the pink house and our Moms had gone to town...you were babysitting us and was gonna have to miss church. But you saved the day by dressing us in your dresses that was WAY to big and we caught the church bus! Our Moms had absolutely no idea where we were and I'm sure my Mom was just beside herself! I think she picked us up.

I remember yall dressing up like the KISS band and performing for us...LOL.

I love you, Sissy and those memories will live forever in my heart!!!
Please give your Dad, Kenneth and Denise Agail my love!!!
