“ Tiim & Family, We are so sorry to hear about Debbie.. We had just been talking about how the 2 of you would make us giggle when we would all be together, Debbie would go on about her shopping adventure"s and you would really get her going on about how much she bought in such a short trip.. How you could make her smile.. I am sorry things had to come to an end,, but try to think of the everlasting life you 2 shall have together again soon. Please keep your fun, loving personality because I am sure she would expect that out of you!!'ll call you soon, Much love to all of you!
