“ I am so sorry that Debbie has died. She has been so sick and in and out of Houston hospitals for the last few years & months. She is no longer suffering.

She was a big help in the Chapman Community Fairs the Community held yearly for many years with myself and others. She loved her daughters fiercely and fought with each one to be and do their best on and off on the softball field. I had lost all contact with her until she lost her Daughter Tessa, this past year or so ago. She was waiting to go back to Houston for more surgery.

Girls we are sorry for your loss.

Our deepest sympathies,
David & Kathy Chapman
