“ As kids we would go to Aunt Dee Dee and Uncle Don's house during the summer to be country kids. One time as we were walking to the pond to fish Aunt Dee Dee warned us about a cow that just had a calf in the pasture that was very protective. She told all us kids if she says run to get through the fence as fast as possible. Well sure enough the cow started towards us and she said y'all get but before she could finish we were all gone! Poor Aunt Dee Dee was standing there all alone in shock as to how fast all those kids scattered! She made it out safely and busted out laughing at how fast we moved. This is just one of the many memories I can share about the my wonderful Aunt Dee Dee. I love you and will miss you greatly until we are joined again in heaven.
