“ *Delbert was married to my mother Judy for approximately fifteen years and remained a great friend to our family after their divorce. My mother was hospitalized a few months back and Delbert was there almost every day during her hospital stay and when the doctors came in asking me and my sister questions about her medical history he knew way more information than me or my sister Carla did!! He will be dearly missed!!*

“ *We are so sad to learn of Delbert's passing. He was a good friend and great trail riding buddy. Many a Sunday afternoon and weekends would find Delbert riding horses with us - those were times to fondly remember. We know he is now sleeping in the arms of our Lord, with horses near by.Happy trails in heaven, good buddy.George & Suzanne*

“ So very sorry for your loss. I was so excited to discover a relative when I began attending a small church in the middle of nowhere when I moved to East Texas. Delbert was such a joy to see on Sundays.
