“ I would like to extend my condolences to all of Mrs. Bassett's family. I have had the honor of meeting all of them while caring for "my angel" at Autumn Leaves Nursing and Rehabilitation. It was a priviledge to get to spend time with her and her family. I looked forward to my shift every single day, because i knew I would get to see that wonderful smile from such a beautiful lady. Through my little time spent with her, she won me over and stole my heart. Even though, she was fighting a battle of her own, she worried and cared for those around her. A true fighter with strength beyond imagination, I am so proud of her and proud to call her my friend. May you spread those beautiful wings and soar in the heavens above, for you have earned them my dear friend. You will be greatly missed by all those who love you and got to know you over the years, but through our short time together, always know you touched my life in many, many ways. Mr. Bassett and family, I pray a prayer for all of you, just know that she will always be with you and will always have a special place in my heart as will all of you and it has truly been an honor to know all of you and a priviledge for you to have allowed me to take care of her to the best of my ability for she truly was "my angel".

“ Our loss is Heaven's gain. Delilah was a treasure to her family and friends and will always hold a special place in our hearts and memories. She did so love her Minden school years and she treasured each person from that time so dearly. We will miss her so very much.

“ Don, I am so sorry for your loss. We know that she is in a better place; however, that does not lessen the sadness of missing her. My husband died in May, after 28 years, so I really do understand your sadness. I am so sorry that we cannot be there for you in body, but know that we are praying for you. I am there in spirit for you.
