“ I only had the pleasure of going to Henderson 15 to 20 times during my lifetime. Aunt Dell was always there, and she was always so warm and welcoming during our visits. I especially remember coming with my wife, Colleen, after we married. Dell went out of her way to make Colleen feel special and loved. I remember watching she and my Mom together, laughing and enjoying each other's company. She was the primary caregiver to her Mom (my Granny Brown) for so many years. She loved her husband (my Uncle Charles Ray) and was a great Mother to Charles Lynn and Sandy. She was loved, and will be greatly missed.

With Great Love and Affection,

Randy and Colleen Peacock
