“ I had the pleasure of working with Dean at the Minden Voting Box. She had a way of always making us laugh and to make the day go by so much faster. I count myself to have been blessed to know such a wonderful lady. I did not find out about her passing until after the funeral. But my prayers are with her family and her daughter that she so often talked highly of. God bless you.

“ Linda, Donna, Mike and Donald I know you will all miss your mother very much. I always remember her as a very happy person..always smiling and laughing. I am sure she is singing and laughing with Jesus right now. I really wish we could come down...just know that we are thinking of you .

“ I am sorry that I can not be there with the family at this time of sorrow .. My thoughts and prayers are with you all .... I think about the good old days when we gathered together as children and played in the sun with no cares ... I remember your mom , my aunt, as being a very loving and kind person .. I shall always remember her that way. If Criag were with us today ... he would want you to know that he cares deeply and would share in your sorrow also ... .. Maybe someday we will get to share some more time and make some memories ... Remember the memories of your mom and keep them in your heart, stored up to share with the grandchildren and the great-grandchildren ... Memories are treasures to the heart ... With loving regards to my cousins . Love .. Cindy Jones
