“ To the family of Diane Pruitt, she and I were classmates at THS and were close friends during school, she was a joy to be around with and our cooking in Home Economics with Mrs. Wilson was very funny. (we learned how to burn water together). We played volleyball together and we enjoyed being in each other presence. May the Lord continue to give the family strength through this time. Your Mom has always been on my mind and look at the old place where they used to live every time I go to Troup. GOD Bless you all.

“ I have a picture of Diane taken when all of us kids got together for Easter Sunday. I have pictures of all the cousins goofing off. Diane had so much fun with all of us. She was a very sweet woman, who will be missed.
