I had the privilege in working with Don Love for over 25 years and he was one of the finest persons I have ever been associated with. He was a wonderful humble man, treated everybody with respect and dignity. Don was the ultimate professional in the coatings business and was well liked and respected by everyone who knew him. Don and Rose always treated me like their son and I will always be grateful to them. I will greatly miss Don but I believe we will meet again someday in heaven. Until that day I pray God blesses and comforts Rose, D, Ricky and family during this difficult time.
Sincerely with love,
Gary Stone
