“ Paul you & Patsy will be in my prayers. I am so sorry for your loss. I am the last one still living out of the bunch of guys i used to run around with. Don Paul, Terry Newman, Jimmy Hays, & Gene Birdwell are now gone to a better place. We made many a mile on the back road's back in the old day's talking about politics, & football while drinking a cold brew. I will cherish those memories forever but i will see them again one day when the LORD calls me home. Until then RIP Don Paul.
