I have known of her as well as another classmate who is a grade under me named Shane, I believe are related. Donna graduated with my oldest brother Donald King also a 1966 graduate (I was born that year in March) who also passed over four years ago. My heartfelt condolences to the Silvertooth family on this great loss.

“ *I knew Donna for many years even before any of her children were born and knew her as one of the most caring and loving people I've ever known. When my daughter told me of her passing one of the things that first came to both our minds was early in our friendship at her house one time when they caught a flying squirrel. That was a highlight of my two daughters life that summer. Cecilia will be waiting for you Donna along with all the others that have preceded you on you final journey. We love always Donna.*

“ Too many stories that I could tell, I just know we were really good friends during school. I hate that I lost touch with her over the years only seeing her a couple of times since we graduated. My thoughts and prayer's go out to her family and friends.
