“ *I just found out from Aunt Cheryl Kay Hamilton-Riley this morning that Aunt Donna had passed away and they were burying her today. I loved her for 49 years and will always love her. I spent a lot of time with her, Uncle Dale, and Michael Lane growing up. I have tons of pictures of us all together. RIP Aunt Donna! Heaven has a new Angel now...she was the sweetest lady and I will miss her dearly! Your nephew Donnie Hamilton*

She had more family, but we were never informed of anything after my uncle passed. We love you Aunt Donna and I am thankful for God allowing you to be my aunt. You were my favorite Aunt. You will be missed. I wish I could have told you goodbye, but I didn't know. Love Mandie

“ *I am so sorry for your loss. Donna was a special woman. I worked with Donna for several years at East Texas Trophies. I will always cherish the stories she told, my favorite story is the one of her and Cotton getting married. She always spoke highly of her family and always had a smile on her face and the best attitude. God Bless you during this difficult time.*

“ Donna and I are first cousins and shared many of our early years together. She was 13 months younger than me. We built playhouses under the big oak tree in our front yard. Pretended to be movie stars, just had a good time being children. Even though I did not see her much in the years after childhood I still remember those special times. Duane and I send love and prayers for the family. God bless you and give comfort.
