Donna and I taught together for several years. She was always a model for me...not only as an exemplary teacher, but as an outstanding woman of virtue. She not only touched the lives of the children she taught, but also those who were blessed to be her friend.

“ Ms. Donna was such a sweet person. I worked with her at Northside in Henderson for 5 years. We even enjoyed a trip to Breckenridge with some other friends who were also teachers. We made some great memories shopping, dog sledding, and hanging by the fire. Praying for her family at this time ❤️
