“ Donnie always seemed to be in good spirits no matter the situation he was faced with. He was someone who gave the very best advice, friendship, and performance. Donnie was a fellow driver and employee, at Hallcon. He was always there to provide the BNSF Railroad crews with a safe ride that was always there early, when it was within his control. Donnie enjoyed working with those guys, and they truly adored him as well. I was told on many occasion that Mr. Donnie was my A #1 top driver. Donnie always had my back personally, and was always there to confide in or just shoot the bull with, he was not only a co-worker, but a friend. My heart aches today with the news of his passing. Many, many people will truly miss him as a co-worker and as a friend. Donnie was truly a kindred soul, and I will be praying for his family. Nothing could replace the sweet love he held so dear, for his kids, and especially his little grandkids. Donnie never wanted to miss any time he could spend with his loved ones, and I know he will be dearly missed by them all. May God bless you and surround you with his loving arms. May God bring you peace and comfort today and each day ahead during this challenging and difficult time. It was truly an honor to know, and to love Donnie Thompson as a person, and as my friend.

I echo the sentiments expressed by others at the railroad that worked with Mr. Donnie. He was not only the best driver, but a good friend to everyone. He will truly be missed.
