“ *Mrs. Wallace*
Matt and I are so sorry to hear about Donnie's passing. I met Donnie some years ago, through my husband. They both worked at Sand Hill. I used to make Donnie cheesecakes and he would invite us down to ya'll's house to fish. We took that up and came out there (with cheesecake of course). We could keep everything we caught but the albino catfish.....I have pictures of some we caught with our children. That is one of my greatest memories of not only Donnie, but with my children too. Donnie was an exceptional man, who was so very wise,generous,caring and loving. May God give you the Peace you and your family need right now and may Donnie Rest In Peace, knowing he impacted our lives.
