“ *I loved your Mother Barbara! She was a delight to know before she got so sick. She was in my office a little while back and I could tell she had really gone down. She made us cookies and brought them to us! She loved working jigsaw puzzles and was always wanting me to come work on one with her. She was so kind. I loved her baseball tales. When she found out Travis was still playing at 25 , she said it isn't going to hurt him! I am so sorry for all of your loss. You must know we loved her @ NewSound Hearing and we will miss her a lot! Barbara, I have been and continue to pray for you daily. With much love and respect for your Mother. Kathy Chapman, David Chapman, and New Sound Hearing-Henderson Office.*

“ I have such wonderful memories of your Mom. From Sunday School and on through our many years of service together. I will be thinking of you all as you are going through this time and remembering all of you and times past. Your Mom was a wonderful friend and mentor over many of those 92 years. Thank you Doris for your gift of love to us all. If my Mom could I'm sure she would want you all to know how dear you were to her so I will say it for her. You were a blessing to us all. I must mention my childhood memories of walking to the corner store on Clarendon Drive just down from my mamaw Websters and all the Banana Flips I had there. Love you all.
